

Pro Series Sectionizer

Quality products. Built to last.

Versatile, Space-Saving and Cost Effective

Pro Series™ Sectionizer

The Pro Series™ Sectionizer allows you to effortlessly slice, halve, or wedge a wide variety of fruits and vegetables, using our many interchangeable blade cups and plungers.

Simply insert either your whole or cut-to-fit fruit or vegetable into the blade cup, then push down on the plunger. The cut produce falls into the 2.7 quart container below, cutting down your food preparation time, and ensuring easy clean up.

- Versatile, 10 different interchangeable blades
- Uniform pieces for appealing presentation
- Quick and easy cleanup – dishwasher safe
- Designed for back of bar application
